

## **RULE CHANGE PROPOSAL**

Submitted by Dave Kaiser, At-Large NWACC Rep - President

This proposal, if adopted, will amend Section 10 – NWACC Insurance in the Competition Code.

### Explanation of the Proposed Change

It has been quite a number of years since we established and retained the services of K & K Insurance Brokers to provide insurance(s) for the organization. It is appropriate that we remove the requirement that K & K be the exclusive broker for NWACC as there may be a point, in the future, where some other organization is more appropriate to act as our insurance broker to meet the needs of NWACC.

This proposal does not prohibit NWACC from continuing its relationship with K & K Insurance Brokers but rather does not “tie the hands” of the organization should a change be determined to be in the best interest of the organization

### Current Rule:

Section 10 – NWACC Insurance, as shown in the Competition Code.

NWACC shall administer its insurance through K & K Insurance Group. NWACC Officers shall be the Policy Administrators.

### Proposed Change:

NWACC shall purchase appropriate levels of insurance to adequately protect the interests of the organization and obtain/purchase coverage through any Agent and/or Broker organization which is found to be able to meet the needs and serve the best interests of NWACC. NWACC Officers shall be the Policy Administrators.
