

Change Proposal:

NWACC COMPETITION CODE

NWACC Corvette Shine-n-Show Program Policies and Procedures

Section D - Corvette Generation Classes for Shine-n-Show and the attached NWACC Shine and Show Judging Sheet

Change Proposal: Combine the separate C5 Coupes and C5 Convertibles into a single Corvette C5 Generation Class.

Reason for Change:

The number of C5 Convertibles being judged has diminished significantly over the last couple years with the number of C5 Convertibles eligible for the Yearly NWACC Corvette Show Award being 1 for 2018 season. This same action was done with the C4 Coupes & Convertibles being placed into a single class a few years ago as the number diminished. The C6 and C7 Convertibles and Coupes will remain in separate classes.
